MESSAGE:

The attached Filing Receipt contains an error in the foreign patent application number. As indicated on the attached copy of the Filing Receipt, the application no. should be "102 58 576.8" and not "102 58 567.8." Also, as indicated, the second named inventor surname is misspelled. It should read "Egeter" not "Egoter."

Kindly make the necessary requested changes, and forward a corrected Filing Receipt to the address that appears on the Filing Receipt. Thank you in advance for your attention to this matter.
